

Service Bulletin 110 v2

Demo Sites: tekmarNet® Gateway, Watts® Home App & Watts® OnSite App - Updated

Curious to experience what our Apps have to offer? We have a convenient generic login (tekmar.demo@gmail.com) and password (\$Tekmar5100) for use with each App.

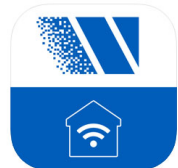

Select the App that supports your product and enjoy secure, remote adjustment of the system and receive important system notifications via text message, push or email.

The tekmarNet® Gateway 486 partners with a tekmarNet® HVAC system. For more information:
